NARRATIVE:

Estrada has an extensive adult criminal history that began at the age of 19. His convictions include arson, felon in possession of firearm, a parole violation. He has served a two (2) year state prison term for felon in possession of a firearm. Estrada was released from state prison to the supervision of the Los Angeles County Probation Department on May 26th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109), the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2014 after he absconded from post release community supervision (PRCS). Estrada qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of firearm by felon is defined as non-serious and non-violent under the California penal code. His prior criminal history, status as a gang member and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
